

KYNA[®]
Knives

KYNA brand

In 2016, born a new brand, KYNA knives, we goes back to our master ancestors, whwn the knives were totally made by hand, and recreate a new type of knives.

The handle of KYNA knives, are entirely handmade, piece by piece, by the wise masters of the cutlery, all knives are sharpening by hand, and, with this hard work, we are able to offer to our customers an exclusive and the best knives in the world.

PRESENTATION

Who we are

Our company, concentrates all its productivity in the manufacture os knives, folding knives, hunting knives and kitchen utensils.

Knives represent more than 90% off our production, with a wide gamma range of knives.

Our company has its own facilities, in aproximately 9000 m² covered area, located in Portugal.
